PROPERTY DETAILS

Public Remarks: The Dakota Maid restaurant has been a staple of the Selby, SD area for over fifteen years. This institution is located directly off highway 12 and 83! Plenty of traffic frequents this restored storefront. The property contains a small gift shop area and the restaurant. Liquor license is not present with this establishment. The sale of the property and business could also include a syrup license used for Dakota Maid's coffee and other assorted goods. The upper level has been used as a air bnb in the past and could generate additional revenue. Now is your chance to buy into a great location and local establishment!
