PROPERTY DETAILS

Public Remarks: This 10-acre parcel near Richmond Lake, SD, presents a prime opportunity for development, offering a blank canvas on its clear, undeveloped landscape. While new access roads will need to be established, its proximity to the lake and potential for future utility connections make it an attractive prospect for a new residential development, a private recreational escape, or even a hobby farm/horse property. Its untouched nature provides the perfect foundation for a custom-designed project, allowing for the creation of a personalized haven that capitalizes on the area's natural beauty and recreational appeal, or provides ample space for agricultural pursuits and equine needs.
