Year built: 1890

PROPERTY DETAILS

Public Remarks: This is a solid 1.5-story house in the heart of Aberdeen. It's been converted into a single-family home and has a lot of that classic charm. The location is a big plus--it's close to everything in town. The lot is a good size, 50x142, with plenty of room to stretch out. This well-kept place is ready for its next chapter--and maybe a few good stories along the way.
